Thank you for filling out this form completely.

The information you have provided will help us serve your dental healthcare needs more effectively and efficiently. If you have any questions at any time, please ask – we are always happy to help.

Office Policies & Financial Arrangements

We are committed to providing you with the best possible dental care and are pleased to discuss any and all of our professional fees at any time. Your clear understanding of the following information is very important to our professional dental relationship. If you have any questions or concerns, please ask one of our qualified team members.

Payment Options with No Insurance Benefits – Payment in full is due at each appointment. We offer up to 6 months 0% interest free financing available through Care Credit with credit approval. A service charge of 1.5% per month or 18% per year is applied to all balances that exceed 30 days.

Payment Options with Insurance Benefits – We will bill any insurance company, however, it is extremely important that you are familiar with your benefit plan prior to having services rendered. It is important to check your dental benefit plan on a yearly basis as those benefits may have changed from a previous year. We do our best to estimate what your insurance company may pay; however, it is ultimately your responsibility and not that of High Plains Dental to know your plan. Keep in mind; we provide an estimate of benefits and not a guarantee of payment. Your estimated portion is due at the time of service. **Once your insurance company has paid their portion, any remainder balance is due in full within 30 days.**

Limited Exams – We will be happy to make an appointment for you to take care of your treatment needs. For limited exams, payment will be collected IN FULL at the time of service. Our policy is that we will see a patient for two limited exam appointments in our office and complete the recommended treatment associated with the exam. After two limited exam appointments, you must become an established patient by having a comprehensive exam and regular dental cleanings to continue being seen in our office.

Broken Appointments/Short Notice Cancellations – Appointments are reservations made for you, therefore, we request a 24-hour notice if you are unable to keep your scheduled appointment. We do understand that there are circumstances that come up such as weather, sickness, and car trouble when you are unable to give us 24 hours notice. Appointments are reserved exclusively for you. We appreciate your business and would like to work with you to maintain your dental health, but we also have a commitment to see our patients in a timely manner and the need to utilize our appointment times effectively. Our office has a policy of no more than three missed appointments without proper notice.

Cell phones – Cell phones may be used in our waiting room area only. All cell phones must be turned off or set to silent while in our operatories unless you have prior authorization from the doctor or hygienist.

Cold Sores – We do not treat patients with active cold sores, if you have a cold sore you should call to reschedule your appointment for a later date.

Nitrous Oxide Gas – Our policy on nitrous oxide gas is that we do not administer it while any of our staff are pregnant and working. In the event that any staff members are pregnant, we will set aside specific appointment times for nitrous oxide gas administration when those staff members are not working.
